

COUNCIL PROGRESS ANNOUNCEMENT
OUTCOME OF 01/17/2007 MEETING

The next regular Council Meeting will be on Wednesday, February 21st, 2007 at 6:00 pm.

We had more individuals come forward and show their interest in becoming part of the Discipleship Task Force. Joining Kim Young on the Task Force is Shirley Madsen, Reita Formanek, and George DeWitt. Help us congratulate them on their appointments to the Task Force.

We unfortunately had Kathy Uecker put in her notice to step down from being the Facilitator of the Property Task Force. We are thankful for her involvement and willingness to head up that task force and will miss her. She has agreed to stay on for a short time as a task force member and we appreciate her dedication in doing this. With this, we are now in search for a new Facilitator for the Property Task Force. We also are in need of a Facilitator for the Discipleship Task Force and more members for each of these Task Forces along with the Christian Life Task Force. If you are interested in showing your support, please let either those task forces know, or a council member that you would want to be appointed as a member of the task force of your choice. We are always looking for hard working, dedicated people like Kathy and the rest of the current members to continue to help build these groups up.

The Worship Task Force presented the Council with some proposals for consideration. The first was their schedule for the upcoming Lenten/Easter services. The council reviewed this schedule and approved it. They had also requested to purchase two new banners specific to this holiday which the council also approved. We look forward to seeing these soon. Finally, the task force has asked Bruce to look into some special music for the Easter service.

The Stewardship & Memorial Task Force also presented the Council with some proposals. They had been working for some time to come up with a Policies and Procedures guideline for the Memorial Fund. The council reviewed this and the Memorial Intent form, and approved it. The council also approved their concept for the Wish List that will be available for those wanting to give a memorial. We appreciate all the hard work that Paul and his team have gone through on this.

We are off to a great start to this year, and look forward to what is to come. We appreciate all of the time and effort that each of the Task Forces has given, and thank each and every member of those groups. We look forward to many more ideas and proposals coming from each of the Task Forces in the future. We also look forward to new faces coming forward and giving their support by joining any of the Task Forces that are of interest to them.

Thank you again from the entire Council!

Adam Smith, Council President
